

LSSD-XC

2020 AGM REPORT

2019-20 Highlights

- Another great ski season with consistent snow coverage and moderate temperatures (no mega-deep freezes!) – unfortunately cut a bit short by COVID-19 restrictions.
- OCup #2 hosted by LSNA at Lappe Nordic
- LSSD was proud to send a team of 25 athletes (11 males, 14 females) along with a 6-person support team to compete at the Ontario Winter Games in February.

2019-20 Highlights *continued*

- The 2020 National Special Olympics Winter Games took place at Kamview Nordic Centre – many thanks to the LSSD clubs (Lappe, Big Thunder, Kamview Jackrabbits) who shared their equipment, expertise, and volunteers to make this an incredible event!

Priorities

- Transition planning – recruitment of new executive members, identifying a new chair
- Developing the LSSD District page on XCSO's website
- Providing a forum for clubs to share information on adapting their venues & programming for safe return to skiing

**FINGERS CROSSED FOR
A GREAT YEAR OF
(SOLO) SKIING!**
