4	Chair's Report Steve Howard	 DCC call Wednesday, February 24. Pierre Lafontaine and Jamie Coatsworth were both in attendance. Topics included: Ski Day on Parliament Hill on February 24 National Ski Team will attend Nationals Presentation at Nationals trying to raise the profile of universities and colleges Value added proposition for Divisions to share with clubs is being developed at CCC CCC's Own The Podium presentations April 12 (PN) & 15 (Able bodied) AGM mid-June in Canmore Divisional Ski Team discussion and a comparison table is being created. 		

		Directors & Officers Insurance
		Quote was procured Canadian Snowsports Association
		which would include CCC, Divisions, and up to 200 clubs
		covered. This coverage was deemed inadequate. All
		Divisions are in agreement that CCC has misrepresented
		the coverage for which clubs were paying. CCBC has
		contacted CCO for details.
5	Financial Report	Our net cash position (including term deposits) is
	Richard Lemoine	approximately \$350,000
		We continue to work through the SPF funding which is
		complicated due to combined trips with NDC.
		Silver Star and other trips are over budget but the scope
		of these trips was expanded as a result of the SPF funding.
		Financial support for senior athletes will be over budget
		with athletes qualifying for European trips and Ski Tour
		Canada.
		Reporting available from the new Zone4 membership
		system does not identify membership income versus
		coaching course income. The matter is being addressed.
		Skills development programmes are behind budget.
6	Administrator's Report	Final Ocup held in Temiskaming this weekend – OST/OTS,
	Liz Inkila	Leader Bib, and ON Cup Series team points calculations
		are underway and will be posted on the website.
		Strategic planning work continues. Latest version of the
		document was circulated to SPC, and those who attended
		Highlands. Deadline for submission of work plans is March 15
		Communications with clubs regarding Zone4 club
		registration launch continues to be a significant focus. We
		currently have 70 clubs that have signed the online
		waiver, with approximately 11000 members. I continue to
		work directly with clubs that require assistance.
		Provincial/Territorial Executive Directors Committee

			T	
		(PTEDC) on which I represent CCO met in February. The National Membership System Working Group		
		representatives were identified for further work – I, MB		
		and AB volunteered to sit on the committee. Other		
		discussion topics included:		
		 Future SDP fees – currently CCC charges CCO \$7 		
		as a 'program' fee. CCO currently charges \$15 as		
		a program fee. The cost of SDP toque produced		
		by SAUCE Headwear; a US based manufacturer is		
		likely to increase. General consensus was that the		
		SAUCE toque is a great quality 'gift' with the		
		yearly design contest and should continue.

10 PN Patti Kitler	 Ontario ParaSport Championships were moved to Sudbury because of lack of snow and accommodations in SOD on the family weekend. Saturday race canceled but a mini camp was held with an official and guiding course going on while the athletes had indoor sessions on why to train, stretching and self-message. Sunday we held the races for 15 athletes. OFSAA – only 3 PN athletes were able to get to OFSAA due to weather related road closures. PN Committee to lobby OFSAA to accept PN category as an official category not just a participation event. Collin Cameron attended the IPC World Cup races in Germany, he made the IPC 80% in his first 15km; he also made IPC points in the distance race and sprint event. Other: Ontario PN are not traveling to Whitehorse Training camp at Duntroon the weekend of April 1 to 3/16 - dryland or on snow depending on conditions. A CC AWAD coaching workshop will also be offered. Several clubs re-surfaced and placed orders (Blind River, Hearst, Marathon, and Red Lake). We had 3 clubs not order (Hardwood, Nordic Nomads, and Wasaga Nordic). Please see attached report on SDP numbers. No major problems with materials ordering. And we only have a handful of toques and buffs left. The Track Attack Video challenge went really well. Although there are some kinks to work out, people are keen for it next year. The videos are available for viewing here: https://projectcoy.wordpress.com/2016/02/21/mid get-champs-is-around-the-corner/. The timing of Midget Championships conflicted the last Biathlon O-Cup. Is there a way to work with Biathlon Ontario so we can try not to have any conflicts?
