*Athlete's season was curtailed in 2019/2020, however, was not able to participate in competition during this season. As per point #6 of the Q4G Force Majeure clause, "the candidate was not able to participate in the minimum number of races specified in item #1, thus the Selection Committee reverted to using CPL performance history from the previous year of competition. The result meets the 93% minimum threshold. The subcommittee then reviewed Point 5 of the criteria document. The performance measure of 96.79% ranks 2nd on the XCSO OAAP ranking list placing her in the top 50% of the ranking list for the available number of cards.
