SOD Coach / Assistant Coach Job Opportunities

SOD Team Coach

The role of the SOD Team Coach is centered around planning and delivering training camps

(single or multi-day) to the SOD Team, and other events as negotiated with SOD Board Liaison.

Responsibilities include the following:

● Report regularly to the SOD Board Liaison on team status and events

● The SOD Team Coach is welcome to attend board meetings via conference call, especially during camp season, though not required to do so

● Scheduling single or multi-day training camps for the SOD Team, with advice from the SOD Team Coordinator and the SOD Board Liaison

● Coaches would be required to provide one dryland camp in the fall and one on-snow camp during the ski season. Coaches would be given the opportunity to provide other camp experiences with the agreement of the High-Performance board member e.g. one or more summer dryland training days

● Training camps should be exclusive to members of the SOD Team

● Coaches would be encouraged to provide a fall dryland training opportunity for all SOD athletes

● Camp dates should be set a minimum of 3 months in advance, though ideally set in the spring for the entire year so that dates can be sent to nominated athletes prior to the athlete accepting a position on the team.

● Camp details should be sent to athletes and club coaches one month in advance, with a detailed schedule to be distributed 1 week in advance

● Developing camp plans, including training, education, and safety

● Leading training camps ○ If not possible due to scheduling constraints, secure a replacement head coach for that camp, in consultation with the SOD Team Coordinator

● Distribute SOD Team clothing at the first SOD Team camp each year or as it becomes available

● Recruit assistant coaches as required to properly deliver each training camp

● Assist the SOD Team Coordinator to develop team qualification criteria. Ideally criteria would have some details as to the number and types of training camps that could be expected.

● Team criteria must be approved by SOD board each year

● Make recommendations to the SOD board to improve the Team for future years

● The SOD Team Coach is encouraged to apply for PCEs (Provincial Coach Experience) relating to XCSO camps targeted at SOD athletes in age groups served by the SOD Team

Requirements

● The SOD Team Coach must provide proof (to the SOD Board Liaison) of minimum NCCP certification of L2T trained or provide willingness to undergo L2T certification. SOD will reimburse the SOD Team Coach for costs associated with coach certification.

● The SOD Team Coach must provide proof (to the SOD Board Liaison) of a satisfactory Police Vulnerable Sectors Check that was performed no more than 3 years prior to the end of the upcoming competition season.

Compensation

● $225/day for camps
